Please be advised that Extended Care is a \$100/week charge. Pick-up from Extended Care after 5:30 PM will incur an additional \$25 charge. Sports Camp takes place outside. Each session is 45 minutes long. In the event of inclement weather or extreme temperatures, we modify the sports to fit our indoor spaces or provide other activities for campers to participate in. If the temperature is extremely high, we will allow our campers to cool off indoors in between activities, shorten the activity sessions, or have more time at the pool. Please be sure to pack appropriate clothing for your child, including swimwear, closed toed shoes, etc.

### **Swimming & Pool Usage**

Each group will have the opportunity to swim daily. Your child must pass a swim test to be permitted to swim in the main pool, which is supervised by DCC Lifeguards and Sports Camp Staff. A swim test will be administered every Monday throughout the summer.

The Wade Pool is only permitted to be used by our campers, ages 6 and younger. If you would prefer for your child to not participate in their swim session, they will be able to participate in an alternate activity during that time. We will be able to provide flotation devices, flotation devices are not permitted to be brought from home.

### **Ages**

Children between the ages of 5 to 12 are eligible for the DuPont Country Club Sports Camp. All children must have completed their kindergarten year of school and capable of self-care. Children will be grouped with other campers similar in age.
