CELL PHONES

It is understood that cell phones are necessary in today's environment. While at the club, we ask that you use discretion when using your cell phone around others. Please do not take away from the experience of others by conducting personal or business calls within earshot of others. Take a moment to excuse yourself to a private area as to not be disturbed by others. This policy is extended throughout the club to include all courses, practice, and dining areas. Cell phone cameras may be used anywhere on Club property, provided the action is exercised with good judgment and the photos are for personal use only. Members and guests who will be sharing photographs taken at the Club may not share or post material that is disrespectful, offensive, defamatory, obscene, or otherwise unsuitable or inappropriate, or that would cause distress to, or infringe on the privacy of the Club or the rights of another person, including DuPont Country Club members, their families, guests, and Club staff.

TIPPING POLICY

DRESS CODE POLICY

The DuPont Country Club dress code has been formulated in a way that takes account of the varied social and sports activities available at the club and the type of clothing typically worn by members and guests participating in these activities, while imposing a reasonable standard of dress appropriate to a private country club environment. The following rules apply to all members and guests at the Club. The dress code may be altered to suit the need of a special Club event with the approval of the CEO.

ENFORCEMENT POLICY

Staff is expected to enforce the dress code policy. When encountering a possible dress code infraction, the staff member on duty (dining room manager, golf staff, tennis

manager, fitness center employee) has the sole discretion to request a change of clothing or refuse access to the facility.

CLUBHOUSE LEGENDS BAR AND GRILLE INCLUDING FAIRWAY TERRACE, LOWER TERRACE, 1920 AND THE GOLF CENTER

Casual or office wear are acceptable in all areas of member dining. This includes clothing which is permitted to be worn on the Club's golf courses and tennis courts. Unacceptable are cutoffs, running or short shorts, torn or baggy jeans, sports bras, and any other items which would be generally considered to be inappropriate in a private country club dining atmosphere. Athletic caps must not be worn in the indoor dining area. Caps may be worn in the bar area and the outdoor terraces but must be worn with the bill forward.

1920

As the Club's more formal dining room, upscale casual clothing is required here with jackets optional for men.

LOBBY, PEACOCK ALLEY, AND FUNCTION ROOMS

The Club hosts many weddings, meetings and other events with participants in formal or business attire. Members and guests in more casual golf and tennis attire should be aware of this and, if possible, enter and exit the Club from the lower level.

GOLF COURSES, PRACTICE AREAS, AND DRIVING RANGE GOLF SEASON

Golfers are required to observe good taste and dress appropriately when using any of the golf facilities. Clothing should be clean and fit properly. As a rule, for both men and women's dress, clothing made specifically for golf by traditional manufacturers (Adidas, Foot Joy, PING, Callaway, Lululemon, etc.) is appropriate and acceptable for use on the courses and practice facilities. Pro Shop merchandise can be used as a guideline for what is appropriate attire. It is the responsibility of members to inform their guests prior to their arrival of our policies regarding appropriate attire. Anyone who is inappropriately attired may be asked to discontinue their use of the golf facilities until properly attired. The Professional Staff and golf employees are responsible for monitoring compliance with these guidelines and will notify individuals who are in violation.
